**INT. RILEY'S FLAT - CONTINUOUS**

A blinding, sterile influencer palace. White walls. White sofa. White rug. Ring lights everywhere.

**HOLLY**
Holy suffering shite. It's like living inside a yoghurt.

**RILEY**
Home sweet content studio.

**HOLLY**
Sit. No Lives. No Stories. No posts. Not even a like.

Riley gasps as if stabbed.

**RILEY**
Not even a like?

**HOLLY**
Not one.

She gestures to Charlie.

**HOLLY (CONT'D)**
Charlie's helping with your apology. Use very small words.

Riley flops onto the sofa, dramatic.

**RILEY**
I am being prosecuted.

**HOLLY**
